Coronary artery aneurysms and Kawasaki's disease in an adult

Sir,

Since the publication of our case report on coronary artery aneurysms in adults (1984; 51; 91-3) it has been brought to our attention that we inadvertently overlooked a previous report by Letac *et al*¹ which should have been referenced in our article.

D B G Oliveira,
Renal Unit, Royal Postgraduate Medical School,
Hammersmith Hospital,
London W12 0HS.
